1. MÁSCARITA SAGRADA, AGUILITA SOLITARIA, AND OCTAGÓNITO defeated EL ESPECTRITO JUNIOR, EL PIRATITA MORGAN, and EL PEQUEÑO COBARDE two falls to none when Máscarita Sagrada pinned el Espectrito junior with a crucifix to end the second fall. ***
2. HERODES, EL GRAN SHIEK, AND SULTAN GARGOLA defeated MOGUR, HURACÁN SEVILLA, AND JAVIER "EL MONARCA" CAUZ two falls to one when Herodes pinned Mogur clean with a power bomb in the third fall. Virtually the same match as last week (and better than last week) but still not very good. *
3. Video Clip: el Egipcio on his ranch in Coahuila, Puebla
4. ATLÁNTIS, EL PIRATA MORGAN, AND LA MÁSCARA SAGRADA defeated EL EGIPCIO (Luis Hernandez), MÁSCARA AÑO DOS MIL, AND UNIVERSO DOS MIL two falls to one when Atlantis made Máscara Año Dos Mil submit to a "torture rack" in the third fall. Very strange old-fashioned third fall. ** And what did el Pirata Morgan do to his hair - it's brown after being black for the last seven-plus years!

-continued on page two-

5. Highlights only of the opener: OOPS they showed the whole match. EL PÁNICO and CHICANO POWER JUNIOR defeated EL FELINO and EL SOLAR II two falls to one when el Pánico pinned el Felino with a reverse somersault in the third fall. Nothing special but not a bad opener. * 1/4
(Really, Chicano Power Jr. has a brown striped mask that looks like a fudge stripe cod (Re!))

6. CARTOMETRO DEL RING

10) Ringo Mendoza	2050	6) Lizmark	332
9) Pirata Morgan	2178	5) el Rayo de Jalisco junior	779
8) Cien Caras	234	4) el Dandy	993
HC 8) el Volador	234	3) Atlantis	1976
7) Mascara Sagrada	300	2) Konnan el Bárbaro	215
		1) Octagón	3628

7. The Main Event: OCTAGÓN defeated EL SATÁNICO two falls to zero when Octagón pinned Satánico with a rana that missed and a weak elbow in the second fall.

Octagón won the first fall by reversed decision when Satánico had ~~pin~~^{made} Octagón submit to a leg stretch, but Satánico kept pounding and wouldn't stop after the referee (Roberto "el Güero" Rangel) warned him to stop. I guess referee Juan "el Gran" Davis is still suspended. A very strange first fall. As a rudo, el Satánico has no cool offensive moves; Fuerza Guerrera has much better and cooler offensive moves as a rudo luchador. Octagón bled and had his mask ripped to build sympathy. So your top (heaviest) weight class World Champion lost two straight falls. . . * 1/2 tops.
